Email Script to MPs:

Good Afternoon,

I am deeply concerned about the ongoing humanitarian crisis and genocide occurring in Gaza to Palestinians.

As your constituent, I urge you to take immediate action and call for a permanent ceasefire, while pushing Justin Trudeau and other officials to do the same.

I would like to know what other actions you are taking to call for an end to this genocide.

Thank you.

Justin Trudeau:

Hi there,

I am calling to urge Justin Trudeau to withdraw Canada's support of the ongoing genocide that the Israeli government is committing in Palestine. Please take immediate action to call for a permanent ceasefire, an end to the occupation and an end to Canada's export of military weapons to Israel. This is not an appropriate use of our tax dollars. If he does not take these actions, both my community and I will not be voting for him in future elections. Thank you for your time.
